

SKILLS USA  
Diesel Equipment Technology Station List

We wish to welcome all competitors to the Montana SkillsUSA Diesel Equipment technology competition. Please find below a tentative list of stations for the competition.

A reminder that the orientation meeting is mandatory for ALL competitors!!

Competition day is Tuesday. ALL Contestants are required to provide their own safety glasses, coveralls and appropriate footwear. Safety glasses are required to be worn at all times during the competition. Contestants may bring their own Digital Multimeters (multi-meters will be provided at the appropriate stations as needed.)

If there are any questions, please contact Greg Clouse. Diesel Technology, MSU-N.

Tentative contest station list:

- Power Trains (transmission, clutch, differential)
- Electronic Engine Diagnosis
- Electronic Engine Diagnostics
- Air Conditioning
- DOT Vehicle Inspection
